### Look Inside

1. What is the importance of being “on guard” when we are seeking to grow? (2 Peter 3:7)
2. “Evil behavior” is a broad topic. Some of the behaviors listed in 1 Peter 2:1 are deceit, hypocrisy, jealousy and all unkind speech. What are some of those behaviors that are holding you back from allowing God to shape you further?
3. Holiness to many is something that is worked for, that is defined by the things you do. What does scripture say about our holiness and how we achieve it?
4. How do we maintain blamelessness as spoken of in 1 Thessalonians 5:23?

### Look Deeper

1. What does it mean to grow in grace and knowledge of God? (2 Peter 3:18)
2. When the scriptures speak of “pure spiritual milk”, what does it mean? (1 Peter 2:2)
3. If Christians have the same Father as Christ, what does this say about our capability of holiness?

## Look Ahead

1. Identify behaviors or thoughts that hold you back from growing in godliness and shift your actions and thinking around in order to form a deeper relationship with God.
2. Surround yourself with people that encourage your walk with God to grow, so that you'll be consistently uplifted on your journey with Him.
3. Take time to consider where you are in your relationship with God. Be honest. You can only move forward once you realize where you are currently and focus on how you can grow in your life.

## Prayer

1. Pray for God to point out ways in which you can improve your walk with Him.
2. Pray to be reminded daily of the life that Jesus lived and your capability to live a holy life as He called you to do so.
3. Pray to never become content in your spiritual walk, but to always seek after more of God in your life.
