

“A Grown Perspective”

Habakkuk 2:2-23, Philippians
4:5-13

09/21/2014

Look Inside

1. In what ways has the Gospel changed or affected your perspective?
2. How does knowledge of the second coming alter how we view things currently?
3. Why is it important that others see we are being considerate in all we do as stated in Philippians 4:5? How does this correlate with the second coming?

Look Deeper

1. What is the importance of Paul's understanding in how to live with everything and nothing as referenced in Philippians 4:12
2. The phrase “guard your heart” gets tossed around much in Christian culture these days, but what does it mean when scripture says that the peace of God will guard our hearts and minds?
3. When Habakkuk 2:3 states the coming of the Lord will not be delayed, yet elsewhere in the Bible it states that God is withholding His return. So what does this mean?

Look Ahead

1. How can we be “runners” to carry the Lord's message to others this coming week?
2. In what ways does our perspective on life and God need to change?
3. Through this time, make an effort to give up worry and instead, seek counsel from God through prayer in everything.

Prayer

1. Pray to be at peace in whatever season of life you're in, whether it be with everything or with nothing as Paul states.
2. Pray for your thoughts to be fixed on what is true and pure, to be concerned with the things of God.
3. Pray for growth in your perspective, that God would teach you and that you would be open to His teaching.
